**Stages Witnessed:**

- 1) General physical inspection visual witnessed for the 10% quantity of the each line item/ each size found Satisfactory.
- 2) Dimensions witnessed for the 10% quantity of the each line item/ each size including sheet thickness found within acceptable limits. Found acceptable.
- 3) Thickness of zinc coating witnessed for randomly selected 10% of each size- found acceptable.
- 4) Lab test witnessed for the sample from the same batch for the Uniform coating, Mass of the zinc coated, CuSo4 test found satisfactory.
- 5) Stripping test, Hammer test, Preece test at lab, knife test, witnessed found satisfactory.

**Disclaimer:** The inspection by TUV India Pvt. Ltd., review of Test Certificates / Reports and issue of Inspection Release Note / Certificate does not relieve Client / Supplier / Manufacturer / Stockiest from their responsibility towards the Client / End User to supply the genuine material / item(s) and document(s) in full compliance with applicable Order, Specification, Technical, Quality, Quantity, Warranty, Guarantee requirements. Supplier / Manufacturer / stockiest is wholly legally responsible for genuineness of the material / item(s) supplied and document(s) submitted. TUV India's responsibility is only limited to correctness of inspection results including review of the documents, within its agreed scope against written requirements and neither TUV India nor any of its group companies, associates or employees are in any way/ legally responsible for genuineness of the material / item(s) and document(s). If the calibration certificate(s) for the measuring instrument(s) / equipment(s) used during inspection do not have traceability to NABL / Other certifying bodies, then the scope of review is limited only to technical content in the calibration certificate.

**Documents Reviewed:**

- 1) Raw material lab TC reviewed for 2 mm sheet found as per the requirement.
- 2) HR sheet dimensions report reviewed found acceptable
- 3) Zinc TC reviewed found as per the requirements.
- 4) In process report for punching as per the drawing report reviewed found in order.

**NCR / Waiver:** (if Any)

Waiver received for the visual points, thickness achievement, and balanced documents for reviewing.

**Identification:**

Not Applicable

**Order status:**☒ Complete ☐ Incomplete**Date(s) of Inspection:**

11/12/2025

**Conclusion:**

All items were inspected within the scope defined in PO, approved QAP/ITP/QCP &amp; specifications - found to meet the specified requirements. .
